

State of Missouri COVID-19 Testing provided at Affinia Healthcare by Mako Medical.

Registration required. For Registration and Test Results Instructions follow the steps shown below.

MAKO MEDICAL HIGH-THROUGHPUT TESTING and RESULTS PROCEDURE

STEP 1 Testing entity will post the MAKO QR code and instructional guide on their website and distribute to constituents, patients, and/or employees for informational and pre-registration purposes.

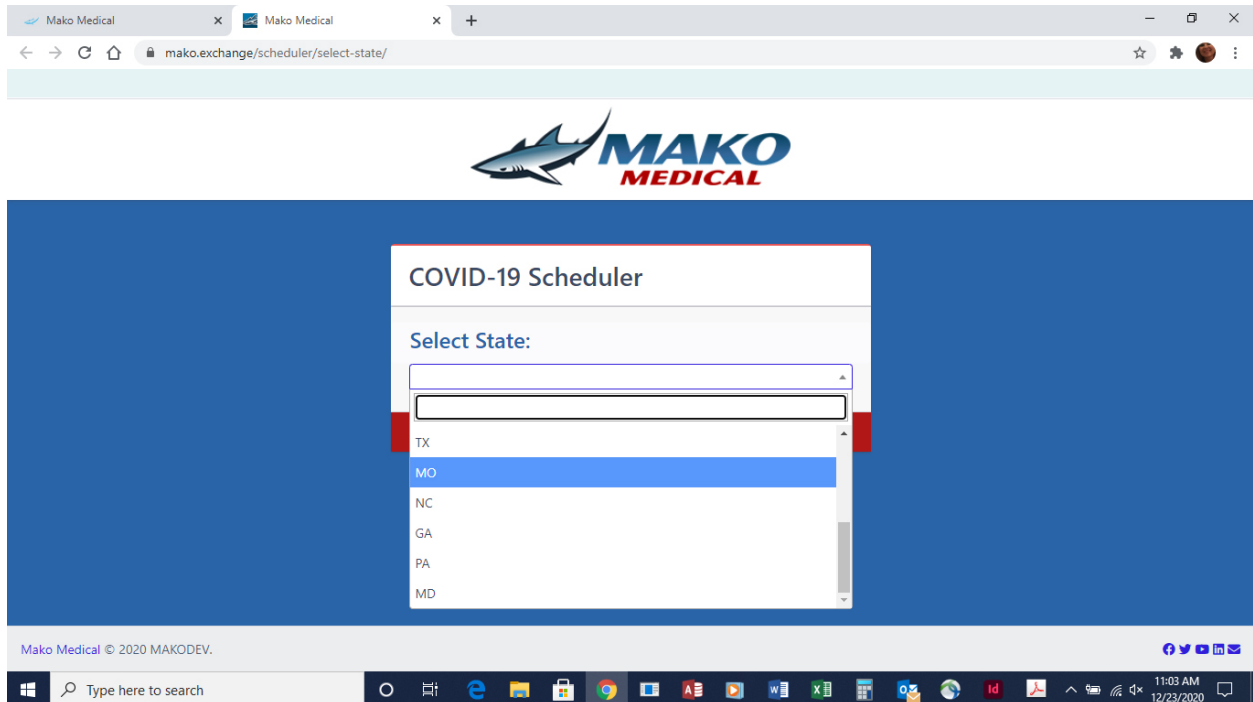

STEP 2 The individual being tested should scan the QR code or visit the provided URL link posted by the testing entity's website to pre-register for their COVID-19 test prior to arriving.

The infographic includes two sample QR code posters, one labeled 'ENGLISH' and one labeled 'SPANISH'. An arrow points from the QR code on the Spanish poster to a smartphone scanning the QR code.

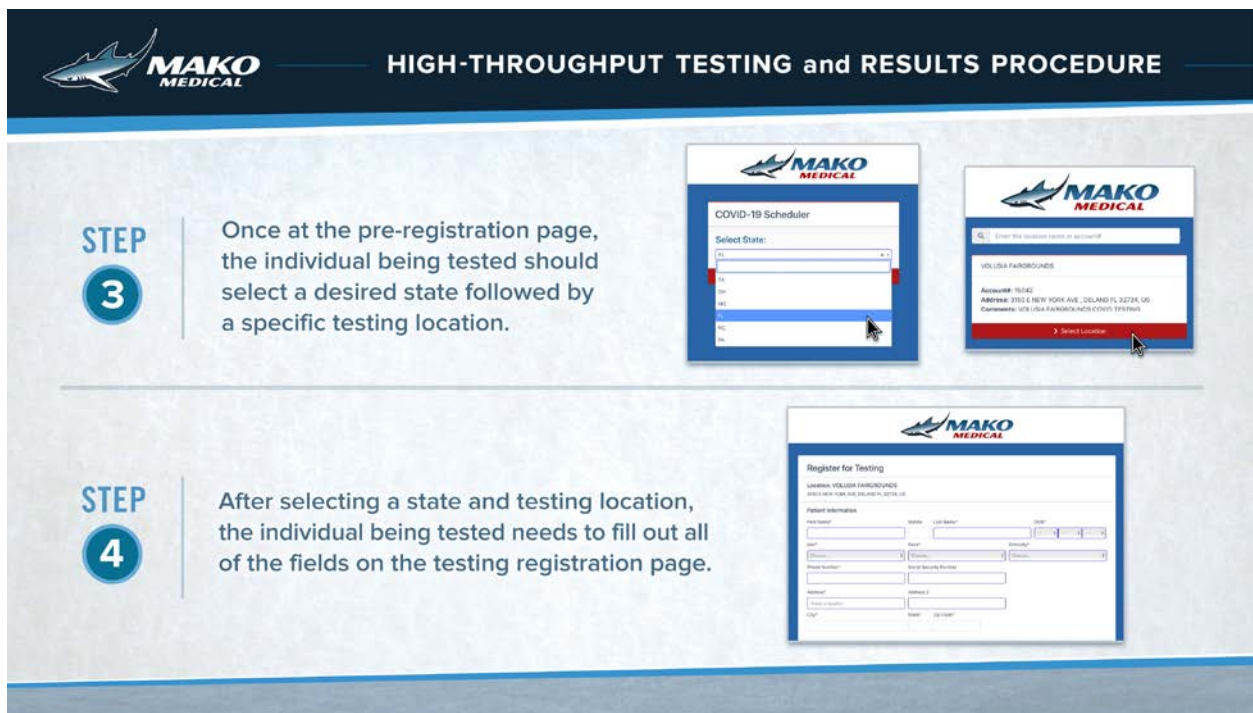

- 1) Please go to <https://www.makomedical.com/> to begin the registration process. You will see the following page:

The screenshot shows a web browser with the URL [makomedical.com](https://www.makomedical.com/). The website features the Mako Medical logo and navigation links: PAY BILL, REGISTER COVID-19 TEST, PROVIDER PORTAL, and MENU. The main content area is titled 'COVID-19 TESTING AND INFORMATION' and includes the text: 'In response to the novel coronavirus (SARS-CoV-2) MAKO Medical has expanded its capacity and increased its diagnostic capabilities to meet local, state and federal needs.' Below this text are three buttons: COVID-19 HELP, COVID-19 PATIENT RESULTS PORTAL, and COVID-19 PROVIDER RESULTS PORTAL. A vertical sidebar on the right reads 'THE MAKO MEDICAL EXPERIENCE'. The bottom of the page shows a Windows taskbar with the date 12/23/2020 and time 11:07 AM.

- 2) Click on “Register COVID-19 Test” at the top of the website to open the pre-registration page. The Select State page shown below will open. Choose MO, and the next page will open, where you will select the Affinia Healthcare location. Please follow the steps shown below.

The screenshot shows a web browser window with the URL `mako.exchange/scheduler/select-state/`. The page features the Mako Medical logo at the top. Below the logo is a white box titled "COVID-19 Scheduler" with a "Select State:" label. A dropdown menu is open, showing a list of states: TX, MO (highlighted in blue), NC, GA, PA, and MD. The browser's taskbar at the bottom shows the time as 11:03 AM on 12/23/2020.

The infographic is titled "HIGH-THROUGHPUT TESTING and RESULTS PROCEDURE" and features the Mako Medical logo. It outlines two steps for the testing process:

- STEP 3**: Once at the pre-registration page, the individual being tested should select a desired state followed by a specific testing location. This step is illustrated with two screenshots: the "COVID-19 Scheduler" page where "MO" is selected, and a subsequent page showing the "VOLVO FAIRBOURNS" location with a "Select Location" button.
- STEP 4**: After selecting a state and testing location, the individual being tested needs to fill out all of the fields on the testing registration page. This step is illustrated with a screenshot of the "Register for Testing" form, which includes fields for Patient Information, Date of Birth, and other details.

HIGH-THROUGHPUT TESTING and RESULTS PROCEDURE

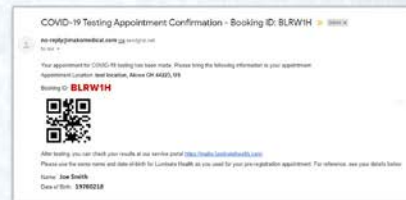

STEP 5

Once the registration page has been completed and the individual being tested has pressed “Submit”, the individual will be taken to a page with a unique booking ID as well as a unique QR Code that stores all of their entered registration information.

STEP 6

Additionally, the individual who registered will receive an email entitled, “**COVID-19 Testing Appointment Confirmation, Booking ID: ABCD1E.**” This email will provide the appointment location, booking ID, QR Code, instructions for how to review results, their entered name, and date of birth.

HIGH-THROUGHPUT TESTING and RESULTS PROCEDURE

STEP 9

Prior to collecting the specimen, using the test administrator's phone or scanner, the test administrator will link the individual being testing/registrant's QR Code to the pre-printed label's QR Code.

STEP 10

The test administrator will place a QR code label from the collection kit onto the transport tube.

HIGH-THROUGHPUT TESTING and RESULTS PROCEDURE

STEP 7

When the pre-registered individual arrives at the testing location, the individual needs to show the test administrator their QR Code or Booking ID from the email they received after registering for the test.

STEP 8

The test administrator will log into mako.exchange and will scan the individual being tested/registrant's QR Code and verbally verify the patient information with the individual being tested.
