

Breastfeeding Support Circle

Father's Day Edition

Join Affinia Healthcare as we celebrate dads, fathers-to-be, and supportive persons to show how they can support moms and babies. It's a chance to learn about breastfeeding, bond with your baby, support mom during and after birth, get parenting tips, and connect with other dads.

Registration is strongly encouraged. Gift cards and diapers available to those who register. Please scan the QR code to register in advance.

This event is open to new, expecting and experienced dads.

Thursday, June 18
2 to 4 p.m.
Affinia Healthcare
4414 N. Florissant
St. Louis, 63107

For more information, please contact:

Breastfeeding Coordinator Mariah Cason at
mcason@affiniahealthcare.org or text 1-888-934-7779

Scan the QR code to register in advance.
